WAVE LIBERTY

Battery-Powered Robotic Pool Cleaner

by maytronics
Exceptional Pool Experience

DOLPHIN WAVE LIBERTY

Unique Battery-powered robotic pool cleaner recommended for pools that are irregularly shaped and/or have in-pool obstacles, such as islands, pillars and bridges.
Features integrated gyro.
Cleans pool floor, walls and waterline.

With cordless, battery-powered operation, Dolphin Wave LIBerty expertly cleans pools that no other robot can handle. Enjoy:
- Proven, reliable performance powered by a Lithium Ion Battery (LIB).
- Outstanding cleaning efficiency and effectiveness, without intervention.
- Super-easy, safe operation and maintenance.
- Fast and easy recharging.
- The freedom of a cordless cleaner.

Dolphin Wave LIBerty features and benefits:
- Scrubs, brushes, vacuums and filters the entire pool.
- Advanced scanning program ensures optimal pool coverage, with entire-pool cleaning in 1.5 hours or less.
- Integrated gyro further enhances scanning efficiency, precision and maneuverability.
- Obstacle escape mechanism enables continual, intervention-free operation.
- Battery charger provides fast and easy charging in just 3 hours.
- Remote control with selectable cleaning programs and manual navigation.
- Unique, built-in battery compartment inside the motor unit minimizes weight and simplifies operation.
- Dual-active brushing delivers top-of-the-line cleaning performance. Intensive removal of algae and bacteria leaves pool water pure and clean, significantly reducing the need for chemicals.
- Top-access filtration compartment for easy and convenient maintenance.
- Dual-level filtration system covers all pool conditions. Ultra-fine cartridge for day-to-day cleaning collects fine dust particles. Wide-mesh net collects leaves and rough debris.
- Wireless remote control, with choice of cleaning programs, operation delay and manual navigation.
- Easy, fully DIY (including motor unit) maintenance. repairable at the dealer level.
