Designed just for you

These easy-to-use robots intelligently adapt themselves to any pool, to achieve the best possible results for the specific pool shape and surface type. Enjoy their friendly design and simple operation – created with you in mind.

Choose the highest performing robot that's right for your pool:

Dolphin S 300i

Advance to a new pool cleaning experience with this top-of-the-line robot that brings even more ease and freedom to the advanced capabilities of Dolphin S robots. Control your Dolphin S 300i through the state-of-the-art multi-function power supply or use the MyDolphin™ app on your smartphone or tablet to set up cleaning programs and control the robot remotely, including manual navigation. The blinking LED on the robot indicates the active mode. Navigate your Dolphin S 300i through the state-of-the-art MyDolphin™ app.

Dolphin S 150

Experience superior pool cleaning with this advanced new robot. With its ultra-light weight and quick water release, Dolphin S 150 is super-easy to handle. The dual active brushing action and PowerStream Mobility System ensure efficient pool coverage, with extra-thorough scrubbing on all surfaces – leaving the floor, walls and waterline spotlessly clean.

Dolphin S 50

The Dolphin S 50 is a lightweight, compact robotic pool cleaner that expertly cleans your pool floor. With its quick water release and easy to use top-access filter system, you'll find the S 50 is the simple answer your pool cleaning needs.

Enjoy an easy and relaxing pool cleaning experience.

Dolphin S robots are designed by Maytronics to do all the hard work – providing incredible cleaning performance and efficiency.

Leave it all to a Dolphin S, and enjoy:

Effortless operation

- Top-access filtration system – with quick, no-mess emptying and washing
- Lightweight, easy handling
- Fast, debris-free water release
- User-friendly smartphone MyDolphin™ app for convenience and control (S 300i)

Crystal-clear cleaning results

- Multi-layer filtration options
- Active brush rotates at 2x the speed of the robot, resulting in enhanced cleaning capabilities
- Complete coverage of all pool surfaces – with PowerStream mobility system (S 150 and S 300i)
- Self-learning robot adapts to the pool shape and surface for optimal cleaning results

Peace of mind

- Proven reliability – made by Maytronics, the world leader in robotic pool cleaners
- Certified ISO 9001 quality standards
- 24 month warranty

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind the top-selling Dolphin robots.
For more than 30 years, we have been developing robotic cleaning solutions for all swimming pools.

Superior pool cleaning made easy

PowerStream Mobility System - enhanced navigation *

Patent-pending multi-directional water flow ensures constant grip on all types of vertical surfaces, for efficient cleaning along walls and waterline and enhanced navigation control.

Lightweight, ergonomic design and fast clean-water release make removing your Dolphin from the pool so easy!

Lightweight - easy to lift and handle

Multi-Function Energy-Saver Power Supply *

Energy Saver Power Supply lets you select cleaning cycle and mode. Set a start delay or weekly timer, all with simple touch-screen control.

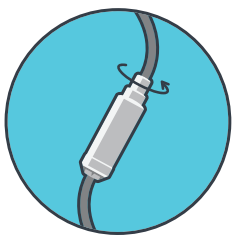
MyDolphin™ app for convenient cleaning program setup and operation control, including manual navigation to direct your robot to clean specific parts of the pool.

Smartphone MyDolphin™ - App Control *

Multi-Layer Filter - highly efficient clog-free filtration *

Simultaneously separates and filters rough, fine and ultra-fine dirt, for highly efficient, clog-free filtration. Snaps apart for super-easy cleaning.

Dolphin's swivel cable eliminate tangled cables forever! As your Dolphin moves around the pool, the swivel ensures that the cable stays free and clear, allowing for complete pool coverage.



Swivel - cable tangle prevention system *
